Tour of Britain – Duns – Monday 5 September

Every year the Tour of Britain attracts some of the world's top cyclists, including Olympic, World and Commonwealth champions. The Scottish Borders has hosted successful stage starts and finishes over a number of years, including in Kelso town centre in 2019 and Hawick town centre in 2021.

This year, Duns will host the stage two finish with the route travelling throughout the Borders starting in Hawick and visiting Jedburgh, Kelso, Coldstream, Chirside and Eyemouth.

Previous stages in the Scottish Borders have benefited the local economy with an economic impact of £266,110, whilst the economic impact on the Scottish economy was £2,502,613 in 2021. We aim to deliver a great experience for participants, spectators and visitors to maximise and benefit businesses.
