

Scottish Borders CLLD Local Action Group (LAG)

2022-23

Application for membership of the LAG

Thank you for your interest in becoming a member of the Scottish Borders LAG. We are a friendly and relaxed group and welcome people with diverse interests and backgrounds. We share a common interest in wanting to support our local communities to be thriving and resilient, with a particular interest in supporting young people.

Anyone can join the LAG regardless of experience or background. We are always interested in recruiting people with specific skills and knowledge, which might include but not be limited to rural sector (farming, fisheries, forestry etc), business experience, working with communities, project development, age related experience/work, experience of disability or disadvantage including working with young people, or just local knowledge of the Borders.

We would ask you to keep your answers below 500 words. If you find the format below a challenge for any reason then you are welcome to speak to with one of our LAG Staff Team informally. You can do this by telephoning 01835-826661.

Alternatively, you can send in your c.v. as long as it covers the main points below.
