\f0Dear Mr ██████

\f0
\f0Proposed Local Development Plan
\f0Site Code:zEL57

\f0
\f0I refer to your letter dated 2nd November 2020 addressed to myself, ██████ as Owner of ██████████████████████ The letter indicates the proposal to continue the allocation of the site shown on the Local Plan under Site Code zEL57 for business and industrial safeguarding.

\f0
\f0I attach a plan which shows the extent of ██████████████ and clearly the site plan encroaches ██████████ to the extent that I have shown hatched on the attached plan. Clearly this was not picked up when originally prepared nor spotted by myself when previously notified of proposals for the Local plan. I, along with my wife, ██████████, have been proprietors of ██████████ since 1992.

\f0
\f0I shall be obliged if you will note the position and amend the Local Plan to accurately reflect the correct position.

\f0
\f0Please acknowledge receipt.

\f0
\f0Regards
\f0Jim Cullen
\f0Proprietor of ██████████.
