What are your comments regarding this site?:

I appreciate the need for additional housing in a mostly rural area - it's the same for us in Herefordshire BUT to consider building houses in plain view of one of the areas most iconic and beautiful places - Abbotsford House - is really short-sighted!

We are annual visitors to the Borders and have always though how fortunate the inhabitants are to have such a reasonable local authority and yet we now see otherwise! Tourism places are going to be struggling hard enough if and when we get out of lockdown without being hindered by poorly-sighted developments that will detract from the beauty and calm of the place!

Please reconsider!! Thanks
