Quick Comment:

I object to proposal AGALA029 Netherbarns in the Local Development Plan.

This is an historic and valuable site of major importance not only to the Borders area, but for Scotland as a nation and has a huge global impact and following.

Any development will impact adversely on the unique heritage assets, historic setting and the cultural landscape of the Scottish Borders and Tweed Valley. This impact will reduce the enjoyment of visitors to Abbotsford and reduce the huge economic contribution which Abbotsford makes to the region.

Abbotsford is visited annually by a great number of visitors to the area and also provides over 150 employment posts as well as the indirect benefit to other businesses in the area.
