Quick Comment / Supporting Information

Leave a quick comment about the Proposed Scottish Borders Local Development Plan, or planning and development in general.....

Quick Comment:

It is a disgrace to build housing on this site even it is across the river. The history of this is of national interest and under no circumstances should be disturbed. There is more land in the Borders area to build housing. You should acknowledge that this area is part of Scottish history and leave as is. I cannot understand why you would even consider this.
