### Comment on Sites in Settlements P to Z

Which Site are you commenting on?

Sites P-Z:

Stow: ASTOW022: Craigend Road: Housing

What are your comments regarding this Site? :

If this site is to be developed for housing, pedestrian access needs to be improved. Currently there is a narrow pavement lower down on Craigend Rd making it difficult for people with pushchairs and young children to walk safely (or those in wheelchairs), at one point there is a telegraph pole that forces you into the road to pass it. There are many people in the community working to promote and encourage active travel, and future housing development should support this approach.
