

# EXPRESSION OF INTEREST FOR FUNDING (EOI)

We invite expressions of interest (EOI) from organisations seeking grant funding to support the Scottish Borders.

This form helps us, and our partner services understand your needs and match them to relevant funding opportunities. These may be funds we administer or independent grant funds. Please note:

- 1 Projects which have a completed project idea, including budget and all appropriate permissions are eligible to complete an EOI.
  - o If you do not have the above information in place, please contact [communityengagement@scotborders.gov.uk](mailto:communityengagement@scotborders.gov.uk) to discuss your project.
- 1 If suitable funding isn't available, we will signpost you to alternative support or funding opportunities.
- 1 Submitting an EOI does not guarantee funding for your project.
- 1 We aim to respond to all EOIs within 21 days.
