

SUPPORTING LOCAL BUSINESS INTERVENTIONS

S14	Development and promotion of the visitor economy (both trade and consumer), such as local attractions, trails, tours and tourism products more generally.
S18	Investing in enterprise infrastructure and employment/innovation site development.
S19	Strengthening local entrepreneurial ecosystems and supporting businesses at all stages of their development to start, sustain, grow and innovate, including through local networks.
S20	Support for expert business advice and support programmes at the local and regional level, including support for decarbonisation, climate adaptation and circular economy advice. This could include funding for new and improvements to existing training hubs, business support offers, 'incubators', 'accelerators' and other forms of developmental environments for local enterprise (including social enterprise) which can support entrepreneurs and start-ups/high growth potential firms through the early stages of development and growth by offering a combination of services including: e.g. - account management, advice, resources, training, mentorship, coaching and access to workspace.
S26	Business support measures to drive employment growth, particularly in high unemployment areas.
S27	Relevant feasibility studies.
