1. Tear or cut along the dotted line.
2. With the blank side face up, fold each corner to the middle.
3. Flip it over and fold each corner to the middle again.
4. Turn over again and fold in half, then unfold and fold in half the other way.
5. Put your thumbs and forefingers into four pockets and push together.

Get someone to pick an action from one of the corners. Open and close as you spell the word or count the number of letters. Pick a number and then lift the flap to find your challenge.
