<b>Summary of Policy / Service /Function aims:</b>	<p><i>Children and Young People's Planning Partnership is a community planning group which directs and co-ordinates children and young people's services across Scottish borders.</i></p> <p><i>CYPPP has a commissioned budget which is hosted within E&amp;LL Strategic Services. CYPPP currently commissions around £700,000 worth of services annually from a variety of agencies including ICS, Lothians and Borders Police, NHS Borders and the Third Sector. Commissions are identified through the priority areas within the Children and Young People's Plan.</i></p>	
<b>Strands Impacted:</b>  <b>Please note:</b> If you leave any box blank in this section you will have decided that your proposed service or function has no impact on that particular strand. <b>Summary of key issues arising and decisions made</b>	There will be less resource available to CYPPP for commissioning a range of services to help the most vulnerable children, young people and families. Some current commissioned services may be curtailed or even cease. CYPPP are currently reviewing their priorities to ensure more effective targeting of available resources	
<b>Summary of key recommendations</b>	SBC should continue to work with partners to look at ways of mitigating this reduction, particularly in respect of the role Third Sector organisations might play in identifying external funding opportunities
