

Borrow an SBLibraries eAudiobook - Bolinda Digital

Navigate to the **Bolinda Digital** website to directly browse the collection of SBLibraries eAudiobooks provided by Bolinda Digital. You can also browse ALL eAudiobooks via the <u>online catalogue</u> however this will not show clearly if the item is a OneClick Digital or Bolinda Digital item until you open the record.

Once you have found an item you are interested in click on the cover image

If you wish to hear some of the eAudiobook before you download it you can click the **Preview** button to listen to a short excerpt of the book.

You can also recommend an item to a friend by clicking the **Tell a friend** button then completing the online form.

To download the item click the **Borrow** button. You may be prompted to login.

You have sufficient loans to o After confirming this loan you	download your chosen title below. I will have 3 loans available.	
Citige Glass	Confirm eAudiobook Loan Loan Period: 14 days	* After confirming your loan your title will be available for download immediately, either from your web browser or your Borrowbox mobile app. For more information about the BorrowBox mobile app please visit the

Enjoy the highest quality digital content. Log in and browse our library of the worlds best authors and titles.

Now you have to confirm your selection. Click the **Confirm Loan** button to continue to the download page.

You can now choose to download the complete eAudiobook at once, or download the only the first part. It may take some time to download a complete eAudiobook (depending on your internet connection and the size of the file) so you may choose to Download the eAudiobook part by part if you do not have time to wait.

If you choose to download only the first part you can download any remaining parts throughout your 2 week loan period by logging into your eAudiobook account at any time at the <u>SBLibraries</u> <u>eAudiobook</u> webpage.

How downloading the eAudiobook works depends on which internet browser, and which version of each browser, you are using.

Click to download either part or the entire eAudiobook.

A popup bar will appear at the bottom of the browser asking what action to take with the file, click Save As

The default download location varies depending on your browser/pc/laptop.

Save as <u>t</u> ype: Compre	essed (zipped) Folder		•		
Hide Folders Qpen Cancel					

Select to save the zip file to your personal H:drive, creating a new **Downloads** folder then click **Open** then **Save**

You may be presented with a Download Complete popup - click Open Folder

The file you have downloaded is a compressed file and needs to be unzipped - to do so right click on the file and select Extract All... then click Extract

Open Open in new window	Select a Destination and Extract Files	
Extract All	Files will be extracted to this folder:	
Scan with Sophos Anti-Virus	H:\Downloads\CityOfGlass_1_32	Browse.
Open with Restore previous versions	Show extracted files when complete	
Send to .		
Cut		
Сору		
Create shortcut		
Delete		

You will now have two entries in the Downloads folder, one zip file and one ordinary file which can be transferred to your MP3 device.

For information on transferring these files to your KubikEvo MP3 player read the Transferring your eAudiobook section.

Transferring files

SBLibraries eAudiobook can be downloaded directly to your pc or laptop in a compressed file, double click to unzip these files and follow the onscreen instructions.

Connect the KubikEvo MP3 player to your pc or laptop using the USB cable provided in the box.

Open up My Computer and navigate to these files, the location they are saved will depend on your own pc or laptop.
