

GENERAL WASTE, RECYCLING & FOOD

1st April 2019 to 31st March 2020

GENERAL WASTE

The waste your business produces can be presented for collection in either trade waste sacks or wheeled bins.

TRADE WASTE SACKS

Trade waste sacks, which should be bought at your local Council Contact Centre, are ideal for the smaller business producing 1-2 bags of general waste per week or for those who do not have the storage space for a wheeled bin. The cost of the sacks (minimum purchase of 13 sacks) is detailed below. If you require sacks to be delivered (200 +), please send us an email with your order details.

Trade Waste Sacks (no.)	Cost (£)
13	£33.50
52	£134.00
104	£268.00
208	£536.00

WHEELED BINS

Businesses which produce a larger quantity of waste per week would be more suited to a wheeled bin. Costs are detailed below.

Bin Size	Cost (£)
1100 litre	£1045.00
660 litre	£660.00
360 litre	£349.00
240 litre	£255.00

Annual charge based on 1 collection per week

In some rural areas, it is not always possible to provide a weekly collection service. Please contact us for further information.

RECYCLING

The Waste (Scotland) Regulations 2012 states that businesses must separate all paper, cardboard, metal, glass and plastics from their general waste for recycling.

Please note: SBC does not currently provide a glass collection service.

Recycling produced by your business can be presented for collection in either recycling sacks or wheeled bins.
