Dear Communities and Partnerships Team

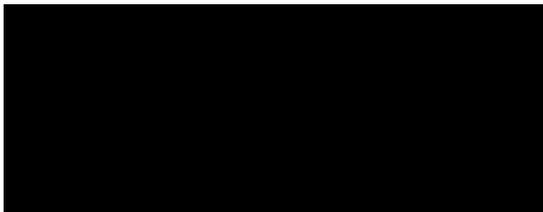

Re: Asset transfer of Ettrick School by EYCDC

I am writing on behalf of the Community Council to support the Ettrick and Yarrow Community Development Company's (EYCDC) application to purchase Ettrick School from Scottish Borders Council.

The former school offers significant potential to help the regeneration of the valleys which is much needed and the CDC have put forward a number of ideas for its use of this building and site that will deliver significant benefits for the local community, once it is in Community ownership. The EYCDC proposal was discussed at this evening's Community Council meeting and there was unanimous support for it.

We very much hope that you will look at their application favourably and look forward to hearing that the asset transfer will go ahead.

Yours sincerely

Secretary
