Subject: Netherbarns AGALA029

I wish to submit a strong objection to the proposals for development of housing at Netherbarns in LDP2 (Local Development Plan No.2). This is an area in full view of Abbotsford, the Eildon & Leaderfoot National Scenic Area, the Designed Landscape around Abbotsford and the many footpaths enjoyed by walkers to Abbotsford and the surrounding area.

The Public Inquiry in 2015 concluded that the cultural and landscape considerations were an asset to the locality and should remain free of impact from development at Netherbarns. Nothing has changed since then and this area should, therefore, be left for the enjoyment of locals and visitors. It's the beauty and heritage of the area that attracts visitors. This is an important aspect of the economy of the Borders and should, therefore, not be destroyed.
