Question 19

Other main issues:

I live at [REDACTED], the road has always been busy but since Cardrona Village was built there has been a noticeable difference in the traffic. I feel to propose 240 houses next to this road would be a disaster waiting to happen as the traffic do NOT adhere to the new 50 miles per hour limit. There has been numerous accidents over the years including twice a car coming through my fence. Also at peak times you can be waiting at least 5 to 10 minutes to get onto the road, can you imagine what it would be like with another 240 plus cars.

Eshiels was divided into small holdings for Ex servicemen after the First World War and it would not be in character with the area to have 240 houses.
