Vision aims and spatial strategy

Question 1

Q1 Agree aims LDP2:

I do not agree, the town's of Peebles and Innerleithen are being ridiculously over developed with increased housing but no increase in schools, health centre capacity etc. It has to stop, this area is beautiful and one of the reasons we live here is the green open spaces. Please stop ruining it. The development being built beside the coffee shop at Cardrona is bad enough but at least that is much needed social housing. More houses that locals cannot afford will just bring in more Edinburgh commuters and clog the already busy roads at peak times. Journey times to Edinburgh at peak rush hours are becoming longer and longer. It has to stop.
