Question 6

Agree?:

No I do not agree. There are a number of existing Business Units/Industrial areas in the town of Peebles that are currently not at full capacity. If they put business units at Eshiels it will take business away from the High Street which already has empty premises. If Business Units were to be at Eshiels this could increase the likelihood of large vehicles/lorries in the vicinity. This would all impact the natural beauty of the area and be detrimental for the tourist industry.

Question 7

Housing agree?:

No I do not agree. [REDACTED]. If the level of traffic joining the main road increases it would be a serious danger to traffic and people. Developments have previously been refused due to this issue. [REDACTED]. The development would mar the landscape, which at the moment is green, rolling hills and attracts a wide range of leisure tourists. I feel that the development would also impact on the local wildlife. [REDACTED].
