### **Question 6**

#### **Agree?:**

Please don't build the houses at Eshiels. There are people out there who really really care about this area. This is their past and their future, and this is something they are really willing to fight for. The cycle path allows access to the beautiful green area between Peebles and Cardrona- please keep the area this way.

Imagine if you had chosen a nice quiet community like Eshiels to live in, and then suddenly the whole view from your house was taken up by builders and there was noise and lights and no longer the green areas you chose before.

These people at Eshiels and Cardrona don't want to live in a town. They chose a village. Don't force a town them. Please.
