Question 1

Q1 Agree aims LDP2:

Sadly our broadband in a long rural line in the Littlebank Valley near Newcstleton is so slow that I was only just able to download the PDF, then when I followed the link to council website for further info on the park, the link was broken , the page did not exist, and then when I went back to the PDF the cache had lost it so I had to download it again. This time it was so incredibly slow I gave up.

WHEN is the broadband going to be sorted out for our community?

Growing our economy
