Vision aims and spatial strategy

Question 1

Q1 Agree aims LDP2:

Yes I agree with the main aims of the MIR: Growing our economy, planning for housing, dealing with changes to our town centres, improving communication within our rural communities, preserving our built and natural heritage, promoting sustainability and climate change. They are all very worthy aspirations with which no-one could disagree - it's how these aims are achieved that I take issue with.

Growing our economy
