Other main issues:

MINNE should be withdrawn from the consultation. The School can not cope with any more children. The Health Centre can not cope and if you extend it where are you going to get the staff to man it.

The vehicle access to the site as suggested at Tweed View, Angle Park and Health Centre all will cause major traffic conjection.

The vehicles exiting at have to come onto Traquair Road and at present the junction onto the High Street is at present a bottle neck and the exit from Tweed View is very bad as you are exiting at a blind spot.

50 houses with at least 1 and a half car per house plus commercial vehicles would cause major problems at Tweed View and Traquair Road.
