Subject: SBC Main Issues Report

Hello [REDACTED]

I hope all is well

I'm just clearing up a few matters before the festive break and I just wanted to double check something with you. I tried phoning earlier.

We're carrying out a consultation on our Main Issues Report and consulted Scottish Government on 8th November. An electronic link was given to the relevant documents. However, I wondered if you wished us to send you hard copies of the MIR, SEA and Monitoring Statement ?

I'm sorry if we should have done that at the time.

Have a good Xmas and New Year break !

Regards
